Teacher Technology Survey

[+ Larger Font](#) | [+ Smaller Font](#)

This survey is designed to gather information on how teachers (and other student-support staff) use technology as a tool for teaching and learning. The information you provide will be aggregated with other teacher surveys taken in your school and therefore your individual responses are anonymous.

There are 33 questions on this survey, and it should be possible to complete the entire survey in under 15 minutes. Each question does require a response, and it is not possible to submit an incomplete survey.
