

# Project STEAM Teacher Participant Focus Group K-5 Teachers

1. Has the STEAM program met your needs?
2. In your own words, could you please describe the primary purpose or goals of Project STEAM?
3. Do you feel that this project has been successful in meeting its goals? Why or why not?
4. How, if at all, has this project improved *teachers'* technology skills?
5. How, if at all, has technology's impact on students *changed* as the result of this grant/project?
6. Do you know what I mean when I say "Massachusetts PreK-12 Instructional Technology Recommended Standards"? If so, in what ways has the work of this project impacted your ability to implement those standards?
7. In what ways – if any – has this project *improved* your ability to address elements of the math curriculum frameworks with your students?
8. To what extent do you see the work of this project carrying forward into the next project year? Will you keep meeting? If so, do you anticipate any changes in the project for the coming school year?
9. Any other comments?
